Report of Principal and School Improvement Council

During the 2011-12 school year Oakdale started the process of becoming a Magnet STEM school (Science, Technology, Engineering, and Mathematics). As a magnet school students living outside our attendance zone have an opportunity to enroll in the program and transportation will be provided for them. The faculty, staff, and parents were able to visit STEM schools in North and South Carolina to get a better understanding of our initiative into becoming a STEM school. Two parents meeting were held to explain the Magnet STEM school process to Oakdale parents and to parents interested in attending Oakdale's magnet program. The faculty and staff were provided professional development in the areas of project and inquiry based learning. This professional development provided us the opportunity to get our "hands dirty". We also held a science fair in April with kindergarten through 2nd grade, as grades level, developed their own science projects and 3rd through 5th grade students developed individual projects for the fair. We continue to develop our magnet STEM school initiative with the faculty working during the summer to develop curriculum maps and integrating core academic subjects into the STEM program.

Four Title I parent workshops were held throughout the school year being conducted by the Title I parent educators and Oakdale staff. Six parent math workshops, one at each grade level, were conducted by Oakdale's math coach. Parents were invited to eat a free lunch, with their child, and then attend the workshop. Each participant learned how we teach mathematics, were given strategies and ideas to help their children and were provided with free math manipulative to use at home.

Oakdale continues to use the Compass Learning computer program, Odyssey, and is using the program again this summer as our virtual summer school. Students are assigned "backpacks" in the area of reading and math to work on during their summer break.

Oakdale School has successfully completed its fourth year with the Effective School-wide Discipline Plan, "Braggin' Dragons". The ESD plan is designed to promote success in all students by rewarding positive behaviors with dragon dollars that are used in our school store. In addition, town hall meetings were held monthly to reinforce the Braggin' Dragon's program. Guest speakers (sports figures, coaches, community leaders, etc.) were invited to our town hall meetings to help promote success in a variety of venues for the students of Oakdale. The Oakdale Braggin' Dragon rules are: Be Responsible, Be Respectful, Be Safe, and Be a Problem-Solver.

With support of parents, community, and a dedicated staff, Oakdale School continues to serve students in a nurturing, caring environment, ensuring success to each individual child.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	98.0
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools

Oakdale Elementary School school has been designated as a:

- ☐ Title I Reward School for Performance - among the highest performing Title I schools in a given year.
- ☒ Title I Reward School for Progress – one of the schools with substantial progress in student subgroups.
- ☐ Title I Focus School – one of the schools with the highest average performance gap between subgroups.
- ☐ Title I Priority School – one of the 5% lowest performing Title I schools.
- ☐ Title I School – does not qualify as Reward, Focus or Priority School.
- ☐ Non-Title I School – therefore the designations above are not applicable.
